The University of Sydney Union presents

**THE SHAWSHANK DETENTION**

The Education and Social Work Revue Society would like to cordially invite you to the inaugural annual Faculty Revue in September of 2010.

The production of the first annual Revue is fitting as the Faculty approaches a number of milestones; it is a century since the first Professor of Education and 75 years of Social Work at the University.

This Revue showcases the talents of future teachers and social workers of the Faculty for the first time since the formation of the Faculty in 1993.

What is a Revue Performance?

A Revue is a student-organised variety show consisting of comedy sketches, songs and dances. It satirises and celebrates everything from popular culture to politics and student life to current affairs.

The Revues Season is held between August and September each year, and for the students involved it is a rewarding and educational experience. Past members of revue societies have moved on to perform at larger events including the Melbourne International Comedy Festival.
