About SUGUNA

Sydney University Graduates Union of North America (SUGUNA) is a non-profit registered corporation, which promotes the interests of the University of Sydney and maintains contact between alumni residing in Canada, Mexico and USA, and Sydney University. SUGUNA was founded in 1990 to encourage association among members, to meet each year, to catch up on members' research and projects, while also enjoying social and recreational participation in Australian activities.

Membership of SUGUNA is open to all graduates, former students, faculty members or University employees and other friends who wish to promote academic excellence and material prosperity for the University of Sydney.

A major alumni reunion/conference is held each year in different cities within North America. Participants comprise fellow Sydney graduates and guest speakers including senior University of Sydney officials. Members learn about alumni accomplishments as well as what is happening at the University, enjoy sporting and social events, and experience the special features offered in the host city or university, while renewing old ties. A number of other reunions, receptions and activities are held by SUGUNA Chapters across North America.

The next SUGUNA Annual Conference will take place in Boston, Massachusetts from Thursday August 2 to Saturday August 5, 2012. More information may be obtained by visiting SUGUNA web site and in SUGUNA Newsletters.

SUGUNA Newsletters are distributed twice per year to the preferred address noted on the form, unless otherwise advised.

Please consider registering for membership in SUGUNA. In order to be eligible to vote and to participate in business decisions of SUGUNA, in person or by proxy, a Membership Form is to be registered with the Secretary. Please note members are requested to register their membership once and to subsequently advise of new or changes to address or contact information. Please advise the SUGUNA Secretary by post or by email. New members, please return the form overleaf by post or by email to the SUGUNA Secretary.
