Join us for our exclusive Alumni and Friends Summer Reception which will take place in the Barry Rooms of the National Gallery on Thursday 14 July 2011 from 6:30 to 8:30 pm.

We like to feel that our Alumni and their friends and visitors to the UK have the opportunity to enjoy special venues, with priority access.

In this case, alumni will be able to enjoy two exhibitions after hours: ‘Devotion by Design: Italian Altarpieces Before 1500’ in the Sainsbury wing; and ‘Forests, Rocks, Torrents: Norwegian and Swiss Landscapes from the Lunde Collection in the Sunley Room.

In the Barry Rooms where the Reception itself will take place, there are also the impressionist galleries adjacent which hold a wonderful collection.

We are indebted to USUKAA Council Member Michael Hintze, a Trustee of the National Gallery, for access to this special venue and its exhibitions.
